Dear Friends:

The youth of Second Congregational Church held several fundraisers during 2010 to support Heifer International. In past years, they have made and sold dried soup mix as a Heifer fundraiser. This past year, with the guidance and support of one of our church members, our youth hosted a food trailer at our summer church fair, donated their Sunday School offerings, and held a Thanks Giving Dinner in early November, all to benefit your organization. The amount collected, \$1,061.65, is enclosed by check.

After reading the detailed and interesting stories in your Gift Catalog, the children voted to spend the money as follows:

1 Water Buffalo	\$250
2 Sheep	240
1 Llama	150
1 Goat	120
1 Pig	120
1 Family of Rabbits	60
2 Hives of Honeybees	60
2 Sets of Chicks	40
1 Flock of Ducks and Geese	20

Thank you very much for your mission of providing families with the means to be self-sufficient and to pass that gift on to others. May God richly bless your work,

Laurie A. Chandler

Youth and Family Minister
